FIRs.**

On the special directions of SE Pesco Peshawar circle Sami Ullah Bangash, Task Force teams including SDO Pesco Warsak-2 sub division Khalid Khan along with heavy contingents of Police and Pesco personal carried out a grand night time operation in Pajagi and adjacent areas. During Operation teams removed more than 15 direct hooks, against them action has been sought. Similarly during operation 2 persons were arrested using direct hooks after proper FIRs against them. A fine of Rs.50000/- has also been imposed on them.

Drive against illegal use of electricity and direct hooks will continue, PESCO authorities have once again warned electricity stealers to stop power pilferage in the larger interest of the nation, due to which PESCO has to face financial losses on one hand and on the other hand PESCO's whole distribution system gets over loaded and the general public faces inconvenience of frequent power break downs.
